

A Certified Divorce Financial Analyst™ can help you achieve the fairest, most financially equitable divorce settlement possible for your client.

Benefits of Using a Certified Divorce Financial Analyst™

- We examine the financial issues of divorce, and provide specific data to support our analysis.*
- We help determine the short and long term financial impact of a proposed divorce settlement.*
- We provide insight into the pros and cons of different settlement proposals.*
- We create personalized reports and graphs illustrating the financial status, cash flow and net worth of both parties.*

Benefits to the Attorney

- Case preparation and settlement is easier - we do the detailed financial work for you.*
- Reduced liability by having in-depth financial research to support your case.*

Benefits to the Client

- Confidence that your settlement is financially feasible.*
- Objective viewpoint in an emotional situation.*
- Advice about your specific financial needs.*
